avmf.org/Scholarships

REACH™

Reaching Every Animal with Charitable Healthcare

New AVMA member benefit

Funding for private practice veterinarians to help clients who have financial need

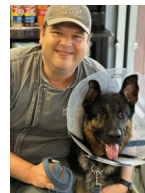

Up to **\$500 per animal** (maximum \$2,000/year per veterinarian while funds available)

You don't have to worry about raising money. AVMF does it for you!

Roman

When his owner was experiencing financial hardship, this beautiful dog's exploratory surgery and treatment were made possible through the help of donors like you.

GREATEST NEEDS FUNDS

Investing in YOU to help meet the changing demands of the profession

The more the AVMF can invest in the profession, the more we can impact YOU on a daily basis. **This allows us to invest in whatever is needed to best support the profession and you, our members!**

We raised over **\$15,000** at the AVMA Convention in Denver! Thank you!

MEMBERSHIP GIVING

Imagine increasing our impact—for animal and human health and wellbeing, and for the next generation of veterinarians.
